ABOUT THE CITY

The New Administrative Capital is a leading smart city, regarded as one of the key pillars for growth and development in Egypt.

This massive urban project brings together expensive developmental plans, with expectations for the population to rise from 20 million to 40 million, as part of advanced residential projects. Thanks to its wide horizons and investment opportunities, the project captures the attention of investors and real estate professionals, offering the latest information and news on the New Administrative Capital to address all your inquiries.

WHY THE NEW ADMINISTRATIVE CAPITAL?

The New Administrative Capital forms a cultural bridge between Egypt's present and its promising future, providing a thriving economic environment and modern infrastructure that serve as the foundation for a sustainable life full of growth and prosperity.

ABOUT THE LOGO

The New Administrative Capital represents a cultural bridge that aspires to establish a pioneering political, economic, and culture entity in the middle east and north africa.

It also aims to provide a thriving economic environment and advanced infrastructure, laying the foundation for a comfortable life and sustainable development.
